Application for co-option December 2025

One application received from Lynne O'Sullivan.

Lynne explains–

> I am keen to contribute to decision-making on the local issues that matter most to me and fellow residents: road safety, responsible development, and support for community initiatives.
>
> Before retiring from full-time work, I worked at Assistant Director level for a national examination body, managing a portfolio of modernisation projects and the budgets associated with them.
>
> I'm currently co-editor of the parish newsletter and volunteer in the community shop, both of which reflect my commitment to parish life and local engagement.
